RESOURCE & VIDEO

POP UP DISPLAYS

The Wave Pop Up Display comes with everything you need to effectively promote your product at any trade show for a fraction of the price of other displays.

ASPEN FABRIC FRAMES

The Aspen Fabric Frame System is the perfect blend of class and versatility. The edges of the fabric press into the frame making graphic installation and change out simple.

OUTDOOR BANNER STANDS

Our outdoor banners and stands are designed to withstand the elements associated with outdoor use.

FABRIC POP UP DISPLAYS

Set up time is quick and easy with our fabric pop-up displays. Your fabric graphics arrive installed on the frame and stay attached during both take down and when storing in the travel bag.

RETRACTABLE BANNER STANDS

Your banner conveniently retracts into the base for quick and easy set-up and take-down of your display.

DISPLAY STANDS

Our display stands are available in various configurations that accommodate a wide range of graphic sizes.

TAHOE MODULAR DISPLAYS

The Tahoe Modular Display System is available in a number of configurations making it the perfect back wall display.

INDOOR BANNER STANDS

Indoor banner stands are specifically designed for indoor use. Travel bags are also available for most stands.

LITERATURE STANDS

All of our literature displays accommodate standard size 8.5" x 11" literature and brochures. We offer various styles to suit your display needs.

HANGING BANNERS

These extra large hanging banners are produced from high quality fabric and enable you to be seen from practically anywhere at your trade show.

TABLE THROWS, CASES & BAGS

Table throws are a great addition to your trade show booth and are sized to fit standard 6ft and 8ft tables. Available in full graphic prints.

Lifetime Warranty

ADJUSTABLE

Adjustable

Display is adjustable to accommodate a range of banner dimensions.

ADJUSTABLE HEIGHT

Adjustable Height

Display height is adjustable to accommodate a range of banner dimensions.

INDOOR USE

Indoor Use

Banners and stands are designed for indoor display.

OUTDOOR USE

Outdoor Use

Banners and stands are designed for outdoor display. Some stands feature weighted or water filled bases for stability.

DOUBLE SIDED

Double Sided

Displays 2 banners back to back to enable viewing from both sides.

SINGLE SIDED

Single Sided

Displays 1 single sided banner.

1 Year Warranty

Magnet

Magnetic strips on sides of panels attach to channel bars on frame.

Hook & Loop

Banners attach via hook & loop strips on top and/or bottom.

Clamp

Top and/or bottom bars clamp to banner.

Grommet

Banner edges are hemmed with #2 grommets in corners. Available grommet colors: brass, silver, & gun metal.

Pole Pocket

The top and bottom of the banner is folded over and sewn, creating a pocket that accepts dowels.

SLIDER BANNER STAND

NEW

This large banner frame (Slider) is a great alternative to standard pop up backwall displays. The Slider can adjust from an 8' x 8' display to a 10' x 8' display. Pole pockets are sewn on all 4 sides of the fabric print. The frame is constructed out of telescopic poles that "slide", allowing larger graphics to be used on the display.

3 PIECE L BANNER CURVED

NEW

This trifecta of stands can be displayed individually, in pairs, or as a group that create an 8ft backwall display. Magnets on the top and bottom hardware connect the stands when displayed side by side easily transforming the three individual stands into a trade show backwall. Fabric graphics attach with velcro making for quick and simple graphic change out. The lightweight frame sets up in minutes and is a lightweight alternative to traditional trade show backwall displays. **Quantity Prices are also available on website.**

GRAPHIC SERVICES

HOW TO PREPARE GRAPHIC FILES

► If you don't have a design...

DESIGN SERVICES

Our layout services can turn your vision into a professional design. Our in-house designers have years of experience in turning our customer's ideas into trade show displays. No design? No problem - we take care of:

- Basic to detailed typesetting & layout
- Image placement
- We will follow your mock-ups or design from scratch

Design Estimate

Estimated design time will be provided prior to start of your project. If you need to purchase stock photographs, please contact us for pricing.

Please call for Stock Photo prices and more information about our graphic service.

Design Examples and Time Used

Let us show you what we have done for our customers. As you can see, the more complex the design becomes, the more design time will be required. Design time differs depending on complexity of design and the types/quality of files needed.

Express 1 Hour Design

- Simple layout & typesetting
 - Vector base/hi-res graphics
- Customer must supply vector base graphics (logo, image and text.)

Custom Design (2-3 Hours)

- Layout & typesetting
- Simple photo editing which includes cropping and color adjusting

Custom Design (4-5 Hours)

- Layout & typesetting
- Photo editing which includes cropping, color adjusting, and cloning
- Creating vector elements

Custom Design (6-11 Hours)

- Layout & typesetting
- Photo editing which includes cropping, color adjusting, and cloning
- About 15 photos used (provided by customer)
- Complex layered design

► If you are designing...

We have layout templates available for you to download on our website. Make sure your graphics are print ready before you upload them to us. Here are some check points to do so.

1. Right Dimension?

Double-check your graphic dimension to make sure it matches the product you are purchasing.

We add bleed on our end. Submit your graphic at desired viewable size.

2. Good Resolution?

In Photoshop, view your graphic at 100%. You can see how your artwork will look when printed.

Spot Colors

3. CMYK Mode?

Your graphic must be in CMYK mode. Colors may differ in RGB mode. Ask us about spot color matching service if your graphic has spot colors.

4. Proof Reading?

It is your responsibility to proof read all your text. Please proof read before you submit your graphic file.

We rely solely on your approval of the proof as final verification and acceptance of the project. We can not accept financial responsibility for items approved by you that may be later found in error.

We accept files in following formats:

Adobe Photoshop (flatten .PSD), Adobe Illustrator (.AI), Adobe Acrobat (.PDF), Tagged Image File Format (.TIFF), Encapsulated PostScript (.EPS), and high resolution JPG files. Any other file format will/may alter graphics.

PRINTING SERVICES

DIGITAL PRINTING COLOR INFORMATION

OFFSET VS. DIGITAL

Digital printing offers shorter turnaround and more consistent end result than offset printing. Digital printers do not print PMS and RGB colors. These colors will have color shifts.

SPOT COLOR MATCHING

Although digital printers do not print PMS colors, our production team will manually adjust the color output to match your spot colors upon request (per color). **Please ask us about color matching service when you upload your files.** *

MATERIAL

Printed colors look slightly different depending on materials. Refer to the material descriptions for more information.

OUTDOOR USE

Our outdoor banners are printed with UV-safe inks to prolong the life of your banner. They are hemmed around the edges for long life and can be grommeted for easy display outside your building or event.

REPRINTING

If you are in need of graphics from your previous orders printed by us, let us know before you approve proofs. To match colors with previously printed banners, we need extra time and information from you. We typically hold files for 1 year. By request, we can back up files for future use.

FINISHING OPTIONS

GROMMETS

Banner edges are hemmed with #2 grommets in corners. Available grommet colors: brass, silver, and gun metal.

Brass Gun Metal Silver

POLE POCKET

The top and bottom of the banner is folded over and sewn creating a pocket that accept dowels.

HOOK & LOOP

Banners attach via hook & loop strips on top and bottom.

HEM

We add a 1" bleed that is folded over and double stitched with white thread. Can be performed to entire perimeter of banner.

CLAMP

Top and/or bottom bars clamp to banner.

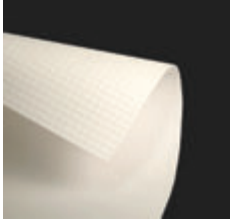

MAGNET

Magnetic strips on sides of panels magnetically attach to channel bars on frame.

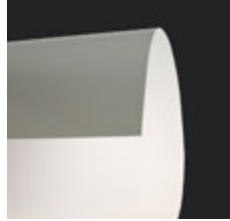

MATERIALS

13oz Scrim Vinyl

Thickness: 13 oz.
Finish: Matte
Great for indoor or outdoor use.
Finishing

- Pole pockets
- Hem and grommet
- Hemmed edges

HOW TO ORDER

ORDER PROCESS

1. PLACE ORDER

Choose sizes, quantity, material type and any additional options. Then shop for additional products or checkout.

Or simply call for online assistance.

2. SUBMIT FILES

Quickly upload your files using our upload file page after entering all shipping, billing and payment information.

>>> Orders with print items >>>

3. APPROVE PROOFS

Once you submit your files, you will be able to view and approve a proof online for your printing order within 2 business hours.

Need a hard proof?
Hard proofs are available

4. FINALIZE ORDER & PRODUCTION

Review order information to ensure the delivery is on time, then the graphic will be printed.

5. PICKUP/SHIPPING

You can pick up your order at our warehouses, or we deliver it to the shipping address.

DESIGN & PRINT PROCESS

1. SUBMIT FILES or REQUEST DESIGN SERVICE

Submit files such as your logo, photos, text, or design mock-ups through our website. If you have nothing to start with, no problem. Let our designers help you!

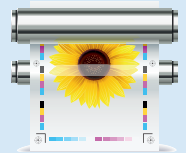

2. WORK WITH DESIGNER

Once we receive your files or design request, our designer will contact you to discuss your design needs. It takes minimum 2-4 business days to complete depending on the complexity of your design need.

3. APPROVE PROOFS

Once you approve proofs, we will send the file to production for print.

4. FINALIZE ORDER & PRODUCTION

Once finalize order, the production time will start. Production time differs depending on the product.
** No change or cancellation will allowed at this moment.*

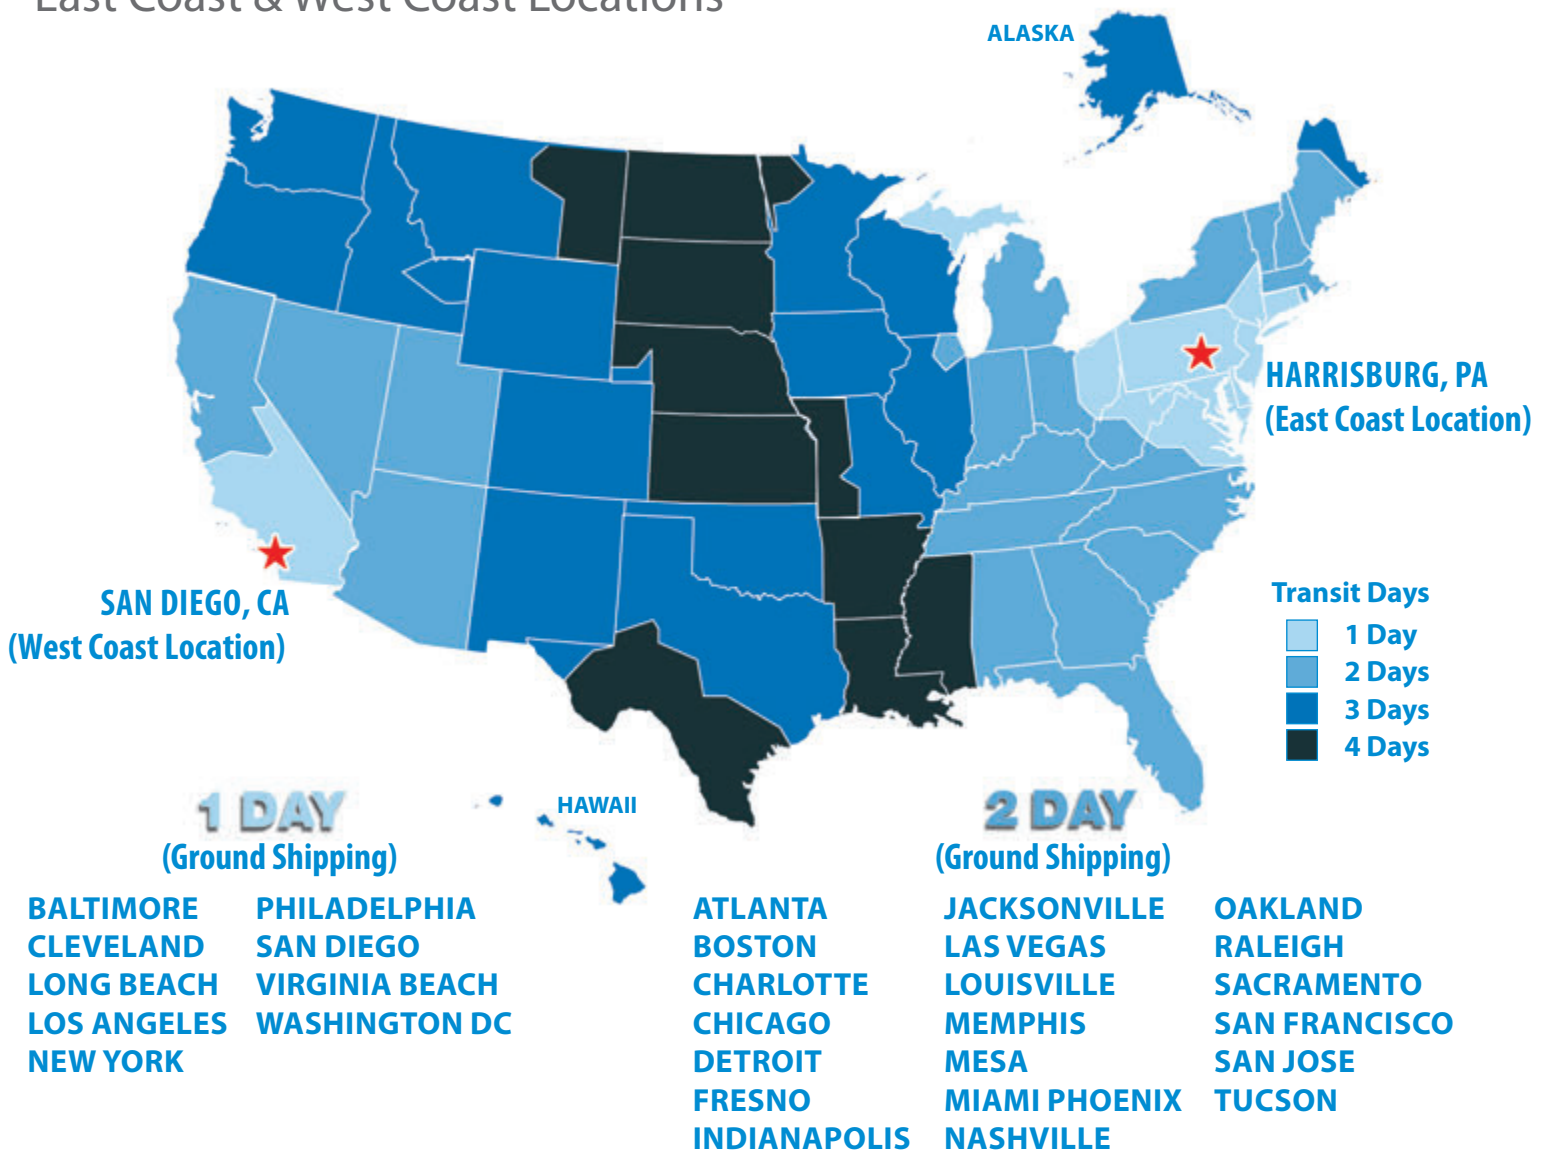

Returns and Refunds: See the website for details.

Pricing: Prices are subject to change.
